Docket No. AUS920000929US1, a copy of which is attached hereto as Exhibit A. The date of this disclosure which is prior to February 22, 2001 has been blacked out in accordance with customary practice.

The disclosure describes caching a portion of Web document which is hyperlinked to a current Web document at a receiving Web station so that the user has the option of previewing that linked Web document by popping up the cached portion.

We reviewed the draft of the Patent Application herein which the accompanying Declaration of J. B. Kraft, Attorney indicates was in completed form prior to February 22, 2001, and we returned the same for the preparation of the final formal papers which we executed and filed on March 8, 2001.

The disclosure Exhibit A, provided the basic disclosure for the present Patent Application

I hereby declare that all statements made herein are of my own knowledge and are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
